Agenda

Value-Based Procurement: From Theory to Practice

NOVEMBER 17, 2015

Accommodation:
Delta Ottawa City Centre Hotel
101 Lyon Street
Ottawa, ON. K1R 5T9
1-888-890-3222

Meeting Location:
The Conference Board of Canada
255 Smyth Road
Ottawa, ON. K1H 8M7
1-866-711-2262

Meeting objectives:
• Explore the role of value-based procurement within today's health care system;
• Present a new value-based procurement methodology and tool;
• Discuss national and international experiences with outcome assessment within tendering.
COUNCIL FOR INNOVATION PROCUREMENT IN HEALTH CARE (CIP)

Schedule — November 16, 2015
LIFT Restaurant (inside of the Delta Ottawa Centre Hotel)
101 Lyon Street, Ottawa, ON. K1R 5T9

6:00 p.m. Informal Networking Dinner (non-sponsored)

Schedule — November 17, 2015
Meeting Location:
The Conference Board of Canada - Boardroom
255 Smyth Road, Ottawa, ON. K1H 8M7

8:30 – 8:45 a.m. Continental Networking Breakfast

8:45 – 9:00 a.m. Welcoming Remarks and Roundtable Introductions

Gabriela Prada, Director, Health Innovation, Policy and Evaluation
The Conference Board of Canada

9:00 – 9:45 a.m. Defining Value-Based Procurement

Gabriela Prada, Director, Health Innovation, Policy and Evaluation
The Conference Board of Canada

Gabriela will define and articulate the relevance of value-based procurement. She will provide an update from the First Interactive European Leaders' Workshop held in Lisbon, Portugal in September 2015 and will discuss opportunities for embracing value-based procurement.

9:45 – 10:45 a.m. Provincial Perspective on Value-Based Procurement

William Charnetski, Chief Health Innovation Strategist
Ontario Ministry of Health and Long-Term Care

William will discuss why strategic procurement is important for Ontario. He will also discuss the role and mandate of the Office of the Chief Health Innovation Strategist, will share his early observations on what the context for change is, and will engage in a discussion about options for collaborations with various stakeholders to advance strategic procurement in the province.

10:45 – 11:00 a.m. Networking Break

11:00 – 12:00 p.m. Case Study: International Perspective on Value-Based Procurement - Lessons from Norway

Kjetil Istad, Director, Procurement and Logistics
South Eastern Norway Regional Health Authority

Kjetil will speak to the current state of value-based procurement in Norway. He will share ideas and practices implemented in Norway in terms of value-based procurement. He will describe how innovation procurement concepts were developed and the frameworks being implemented for government and industry relationships in terms of procurement processes. Kjetil will provide examples of technologies that they have procured and his perspective on which aspects of the procurement process added most value.
Networking Lunch

1:00 – 2:00 p.m.

Case Study - Procurement Processes Implemented by North America's First Fully Digital Hospital

Peter Bak, Chief Information Officer
Humber River Hospital

Peter will speak to his experience with the conceptualization and realization of North America's first fully digital hospital, a concept that has the potential to revolutionize health care. He will describe the Public Private Partnership model used by Infrastructure Ontario to procure the construction, technology infrastructure and facilities management services for the Humber River Hospital. Peter will also present a Management Equipment Services (MES) model for procuring diagnostic equipment - HRH entered in to the first MES contract of its kind in Canada, and a Just-in-Time supply chain used by materials management at HRH.

Networking Break

2:00 – 2:15 p.m.

Panel and Group Discussion - Opportunities and Challenges with Value-Based Procurement Models

Panelists will speak to their perspectives on how value-based procurement should unfold in Canada. What are the next steps?

Panel discussion will be moderated by Gabriela Prada.

Panelists will include:
Sarah Friesen, Chief Executive Officer, Central Ontario, Healthcare Procurement Alliance
Melinda Mui, Vice President Supply Chain, Health Shared Services British Columbia
Krista Stagliano, Vice President, Materials Management, HealthPro

3:45 – 4:00 p.m.

Council Business and Wrap-Up

1) Next meeting
2) Recruitment and identification of other stakeholders to involve
3) Meeting Evaluation

4:00 p.m.

Adjournment

NEXT MEETING: April 2016
Theme: Coming soon!
Location: Toronto
